- Lift up President Barack Obama, Vice President Joe Biden, members of the Cabinet and Members of Congress. Pray that they would each genuinely seek God, ask His counsel and follow His lead as they perform their duties.
- Pray that any of our nation's leaders who do not know Jesus Christ as their personal Savior would develop a relationship with Him. Pray that those who are believers would grow closer to Him each day.
- Lift up pastors throughout America and the world; pray that they would boldly preach the Gospel of Jesus Christ and that their messages would be clear and Biblically accurate.
- Lift up the situation in Pakistan; pray that the Pakistani government would thwart the Taliban's efforts to gain a foothold there.
- Ask the Lord to keep nuclear weapons out of the hands of terrorists.
- Pray for those impacted by the outbreak of Swine Flu in Mexico and elsewhere. Lift up Homeland Security Secretary Janet Napolitano and others as they make decisions to protect Americans from the virus.
- Ask the Lord to begin raising up godly leaders to run in the upcoming 2009 and 2010 elections.

- Pray that Christians throughout America would be responsible stewards of their freedom by consistently lifting up the Obama administration in prayer, supporting the administration's policies when possible and opposing its policies when necessary.
- Pray that Christians in America and throughout the world would share the love of Christ through their daily actions, words, and personal examples.
- Give thanks to God that we have not been attacked on American soil since 9/11/01; ask Him to continue protecting the United States from terrorist attacks.
- Give thanks that we live in a nation in which we have the freedom to worship as we see fit; pray that we would never take that privilege for granted.
